completing the application in the system;

(13) **The provisional acceptance letter from the professor:** the applicant can contact a professor in related field for evaluation by himself/herself after mutual communication before online application to school system, or find a professor with our guidance after registration in application system;

The letter is filled in by a mentor from our university according to his/her communication with the applicant. It cannot be used as an official letter of admission; it can only be used as a supplementary document of the application materials for study at Xuzhou Medical University. See the attachment at the end of the page;

V. Admission and New Students' Registration Procedures

1. School of International Education of Xuzhou Medical University will select the outstanding applicants according to application materials and admission scheme. After complete the online application, Please check your system mailbox and email box regularly to receive the notice of the interview. The E-offer (pre-admission letter) will be sent to the applicant who passed both school and professor check through the system. After that, applicants should pay admission deposit (**non-refundable, CNY3000(Master)/ CNY3800(PhD)**) for locking the seat and upload the scanning copy of payment receipt to the application system within 2 weeks after he/she received pre-admission letter. The admission deposit will be used as the registration fee and the insurance fee during the student's study in China after registration. Failure to pay on time will be regarded as automatic waiver of enrollment qualification.

2. After confirming the admission deposit, school will apply JW202 form based on current government policies and issue formal admission E offer to applicants via system.

3. Applicants should take Admission offer and JW202 form and other required documents to the Embassy/Consulate of the People's Republic of China to apply for X1 visa to come to study in China according to the most recent visa policies.(The applicants shall refer to related official websites' of government for details.)

4. If the admitted student is unable to register on time, students should **ask the college for leave at least one week in advance**. Failure to register over one weeks without school permission would be regarded as automatic withdrawal, and **the admission deposit would not be refunded**. For more information about new student registration, please visit the College website - Student Affairs - Welcome Registration (English), or communicate with the relevant teachers by joining the new student QQ, wechat, Ding Talk group after admission.

VI. Duration

Applicants for master's degree program are required to complete the study within 3-4 years.

Applicants for doctoral degree program are required to complete the study within 4-6 years.

Applicants for successive master-doctoral degree program are required to complete the study within 7-9 years.(Obtain both master and doctoral degrees at the end of doctoral study).

The department of each discipline formulates the cultivation scheme.
